NOTICES

We are delighted to share some exciting news with you as we conclude this term. South Lee Prep School & Nursery has been shortlisted for the Independent Pre-Prep School of the Year Award. This prestigious awards programme, brought to you by Independent School Parent magazine, aims to showcase the success stories of schools and celebrate the extraordinary and compelling pupil experience they provide.

Being recognised in this way is a testament to the hard work and dedication of our staff, pupils, and the entire school community. We are immensely proud of this achievement.

Thank you for your continued support, and we wish you all a restful and enjoyable break.

Excelling Beyond Academics

We are thrilled to share some wonderful news from our school community. Two of our talented pupils, Iris and Paul, have qualified to represent South Lee Prep School & Nursery at the National Schools Equestrian Association Grassroots National Show-Jumping Championships. This prestigious event will take place at Hickstead in August.

Their qualification follows a stellar performance at a regional qualifier, and we could not be prouder of their achievements. This is a remarkable opportunity for both Iris and Paul to showcase their equestrian skills on a national stage.

Please join us in wishing Iris and Paul the very best of luck as they prepare for this exciting competition. We know they will represent South Lee with dedication and excellence.
