

# South Lee Clubs and Activities Information Booklet Autumn Term 2018

Please find enclosed details about the after-school activity programme for this term. The full clubs programme begins on Thursday 6<sup>th</sup> September 2018.

## After School Routine

In Pre Prep the pupils have the option to stay for a drink and a sandwich at 3.15pm and then have some relaxation time or a club until 3.45pm.

There are more Pre Prep clubs available until 4.45pm (please see club list) or alternatively they may stay to After School Care until 6pm. After School care does incur an extra charge and must be pre-booked via the office. Children who stay for After School Care can be collected from the EYFS building any time up to 6pm. In Pre Prep we ask parents to sign their children into clubs at the beginning of each week so that their class teacher knows where they need to be at the end of the school day.

In the Prep school, every evening from 3.45-4.45pm there is a first prep session, where pupils can do their prep (homework). There are also several clubs, described in this booklet.

At 4.45pm pupils may go home or stay for second prep until 6pm when the school closes. For sports clubs, please allow time for children to gather their belongings after their club. 5pm is normally a good time for pick up for those children. Any Prep children who have not been collected by 5.05pm will be taken to second prep and can be collected from South Lodge.

Pupils are encouraged to try out clubs which encourage independence, commitment, targeted effort and fun! They should ask their form tutor for suggestions if they are unsure where to start!

## Mornings: Breakfast Club and Library Prep

Breakfast club starts at 7.30am in the GP Room. Breakfast is served up until 8am. To enable us to adhere to staffing ratios for our EYFS pupils and to ensure pupil safety, pupils who have not been booked in for Breakfast Club will not be admitted.

Every morning between 8am and 8.30am there is supervised library Prep for Pre Prep and Prep school pupils who are in school early. This is a perfect time to finish off prep, read a good book or get ready for the day ahead.

We also have several music clubs first thing in the morning. See the attached information for details.

Registration starts at 8.30am and concludes at 8.45am. Any pupils arriving after this time will be marked in as Late. This gives everyone time to prepare for the day and provides an important opportunity for us to support the pastoral development of our pupils.

## **Pre Prep Clubs**

### **Monday**

**Drink & Sandwich (R -YR3) 3.15PM - 3.45PM**

**Pyjamadrama with Mrs Bull (\*Paid Club) (Y1&2) 3.15pm - 4.15pm**

## Why Clubs?

Activities in school, but outside the classroom, help remind pupils of the importance of a balanced life. As well as helping to keep themselves both physically and mentally healthy, clubs teach attributes such as commitment, independence and zest for life! At South Lee, we see clubs and activities as a fundamental part of the school day and encourage all pupils to try to join in as often as they can!

## South Lee School Aims

- *To provide a challenging, inspiring and individualised learning journey for all pupils that fosters a love of learning and a desire to work hard, even when confronted with obstacles.*
- *To sustain a secure, caring and stimulating environment where pupils feel happy and safe and can be themselves.*
- *To provide opportunities for development and interests outside the classroom, allowing children to develop a healthy and mindful lifestyle, a sense of adventure and a zest for life.*
- *To support and model positive relationships, encouraging skills of teamwork, leadership, tolerance and personal responsibility.*
- *To encourage a love of helping others, an interest in current affairs and an understanding of different cultures as well as providing opportunities to contribute to the local community and world beyond.*
